2020 Official Race Guide

This issue of the Birch Scroll[®] contains general information in anticipation of February's Birkie events. As in past years, a dual-purpose Official Race Guide & Visitors Official Spectator Guide will be available online, with a printed copy available to all participants at bib pick-up. The ABSF is working in cooperation with the Sawyer County Record on the flip-book style magazine. Like previous years, the guide will be your secret weapon to all things Birkie!

Watch for the Official Race Guide on www.Birkie.com!

Hello Friends of the Birkie!

If you could look-up **American Birkebeiner Ski Foundation** in the dictionary, you would find the following:

American Birkebeiner Ski Foundation

Amer-i-can Bir-ke-bein-er Ski Foun-da-tion

1: Wisconsin 501(c)(3) non-profit in NW Wisconsin - **a**: dedicated staff/ **b**: loyal volunteer base/ **c**: surrounded by committed local communities striving to provide world class experiences/ **d**: creator of amazing events/ **e**: excellent stewards of the Birkie Trail/ **f**: an organization passionate about providing access, inspiration, and education that instills an active lifestyle for all

What a year! Looking back, 2018-2019 was rich with great events in the north woods! After an amazing Birkie Trail Run Festival, we quickly shifted gears to winter and our first foray into snowmaking. The Birkie crew created an over 2-kilometer man-made snow loop at the American Birkebeiner Trailhead. Skiers of all ages were eager to give the early snow a try. An early kick-off to the season, the Birkie Trail and venues were busy from early winter through spring. From High School camps and time-trials to the Ladies' Fat Bike Getaway, Double Pole Derby, Birkie Tour, Gitchi Gami Games, Seeley Hills Classic, High School & Middle School Northern Conference Championships, Wisconsin State High School Ski meet, the Slumberland American Birkebeiner, and the 45NORTH Fat Bike Birkie – the American Birkebeiner Trailhead was at the heart of it all. It was exhilarating to see so many great events enhanced by the artificial snow and infrastructure that you helped to create, and resulted in a wide range of folks out enjoying an active, outdoor experience that will shape a lifestyle for years to come!

“We are committed to investing in the lifestyle and the sports you love.”

This past year, we completed installation of more of the ABSF's Phase 2 Capital Campaign improvements, including: the Samuel C Johnson Family Outdoor Center; the Key Log Crossing; the Virkus Fitness Room; the New Moon Wax & Tech room; and the Malnourie Gym-Rage Fitness park; all at the OO Trailhead. The official Grand Opening was held on August 10th in conjunction with the ABSF's Annual Meeting. If you haven't checked it out, I encourage you to explore the venue.

Looking forward, we are committed to investing in the lifestyle and the sports you love. As an organization we are constantly looking at how we can make a positive impact on the greater silent sport community, the trails, the venues, and the opportunities we create to enable an active, outdoor way of life. With this in mind, we chose to showcase a photo from Birkie 1980. For years, the Telemark property and trails, located east of Cable, WI, were at the center of Birkie events. We are excited at what the future may hold for the Telemark property and its amazing trail system. Take a look at page 11 to learn more about what's happening at this historic place. Stay tuned, we'll be reaching out to ask your opinions on what could or should happen there.

Being good stewards of the environment is a core tenet of our mission. Knowing we should be leading by example, we are scrutinizing our practices and finding ways to make a difference whenever we can. We're excited to launch the ABSF's Birkie Green initiative, a program designed to examine and illustrate our sustainability practices in hopes of encouraging the ski community and our partners to do the same. Read about Birkie Green on page 34.

As always, we wouldn't be able to do what we do without you. If you need anything or just want to chat, please don't hesitate to reach out to me or anyone on the Birkie Team – we are here to help.

I hope to see you in the north woods and on the trails running, skiing or biking sometime soon!

Ben Popp
Executive Director – American Birkebeiner Ski Foundation

ABSF Signs Lease to Utilize Telemark Property

Two-Year Lease Allows Access to Trails and Infrastructure for Events & Snowmaking

The property in and around Telemark is woven into the fabric of the American Birkebeiner ski race and Birkie events. This year's cover is dedicated to this legacy and the question, "What does the future hold for Telemark?"

The year was 1973 when 35 skiers left Lumberjack Bowl in Hayward, WI, bound for Telemark and the finish line in the first-ever American Birkebeiner cross-country ski race. For years, the Telemark property and trails, located east of Cable, WI, were at the center of Birkie events. While the race started with humble beginnings, the American Birkebeiner "Birkie" has since grown to become North America's largest and most prestigious cross-country ski race. Given the legacy of the Birkie race and its historical connection to Telemark, the American Birkebeiner Ski Foundation (ABSF) is pleased to announce the recent signing of a two-year lease agreement to once again utilize the trails found on the 713-acre Telemark property.

The Telemark trails and property are adjacent to the American Birkebeiner ski race's permanent start line and Trailhead venue, the gateway to the award-winning American Birkebeiner Trail. With over 100,000 visitors to the Birkie Trail each year, the area has become a mecca for silent sports enthusiasts. The Telemark property boasts approximately 30-kilometers of cross-country ski trails, 15-miles of mountain bike and snowshoe trails, and welcomed an estimated 55,000 users last year alone. Restoration work by ABSF trail staff has already begun on some of the Telemark property trails.

Another consideration in signing the lease is directly related to the ABSF's snowmaking efforts. In 2018, after a successful capital campaign, the ABSF began their initial investment in snowmaking infrastructure, completing an over 2-kilometer manmade snow loop at the American Birkebeiner Trailhead. During this process, the ABSF worked collaboratively with property owners to utilize the well on the Telemark property. The lease allows access to additional water sources for snowmaking efforts and toward guaranteeing a Birkie race even in low snow years. Additionally, last year

Telemark Property During 1976 American Birkebeiner Ski Race.

alone, 9 Birkie events utilized a portion of the Telemark trail system. Whether skiing, running, or biking, the Telemark trails have enhanced various Birkie event race courses as they connect to the current American Birkebeiner Trail system. With continued use of the property planned for future Birkie events and additional snowmaking infrastructure placed on the Telemark property, the ABSF Board of Directors determined it was prudent to sign the two-year lease.

While the ABSF is focused on developing the trails for future events and for use by silent sports enthusiasts, the two-year lease also contains an option to purchase the Telemark property. As such, the ABSF has begun a feasibility study, conducted by internal staff and with key stakeholders, to explore, research, and examine future possibilities for the greater property. This study will help to determine whether purchase of the Telemark property is viable and what the future could hold for this storied parcel of land. In the coming weeks, the ABSF will be reaching out to the Birkie community to seek your input and insights into how the Telemark property could be used and your thoughts on the possibilities for the property. Any possible future development, beyond restoring the trails, would require the involvement of future partners, supporters,

and would not be piloted by the ABSF.

"The Telemark property has been at the heart of the Birkie since the race's inception. Having the opportunity to once again utilize the trails, to confidently install snowmaking infrastructure, and to make venue improvements is very exciting," said Ben Popp, Executive Director, American Birkebeiner Ski Foundation. "While we don't know what the future holds for this historic property, we do know that having access to the land will help the ABSF increase our ability to host events of all levels, to support an active outdoor lifestyle, and to ensure the long-term viability of Birkie events for years to come."

While the property has many challenges including a shuttered and dilapidated lodge, overgrown trails, and old infrastructure, at their core the former world-class trails are second to none in providing excellent experiences for silent sport enthusiasts. The ABSF's focus in signing the Telemark property lease is to gain access to the trails, the property's infrastructure, and to create potential event spaces for skiers, runners, bikers, and others who utilize the area trail systems. The ABSF is committed to creating outdoor experiences that inspire and enable a healthy, active lifestyle for the entire community.

#BirkieFever

Congratulations to the 2019 Skiløper Skiers!

New in 2019!

Like Birkie skiers, Korteløpet skiers are a dedicated bunch! Skiløper, Norwegian for "skier" (pronounced "Shē-lōp-päh"), began in 2019 and recognizes Korteløpet skiers who reach the milestones of 10, 20, and 30-years.

The Mission of the American Birkebeiner Ski Foundation

- To promote and conduct the finest international cross-country ski competition and active lifestyle events;
- To serve as good stewards of the American Birkebeiner Trail;
- To support healthy and active lifestyles among people of all ages and abilities.

We Are the Spectators

—Rachel Nevergall,
Loyal Spectator Extraordinaire

We awake to the sound of brewing coffee, the rummaging of backpacks, the stirring of oatmeal. We sense those familiar nerves. Another year has arrived. It is Birkie race day. Time to rise and begin the preparations. Check the fuel, the gear, the weather. With all the necessary paraphernalia collected, the skiers disperse in their vehicles on the trek to the starting line. But we are not with them. For we are the spectators.

Over months we have trained for this day. We are the partners who shove reluctant skiers out of a warm bed on those negative temperature mornings, with love and encouragement. We are the parents who manage the bedtime chaos so the co-parent can fit in a post work exercise. We are the coordinators of the schedule, checking pace of our skiers, plotting a course that maximizes proper ratio of children's energy levels with minimization of whining. And after months of training, we put the plan into action. The sound of the skiers driving away is our starting line gun. Our race begins now.

For our particular family, one grandma, one aunt, one mom, and five cousins from baby to seven years, this means breakfast feeding and clothes layering. Managing sibling arguments in between checking the skiers' progress. Keeping one eye on the time and another on the chaos. It means bundling of hats and mittens and snow pants and boots on multiple wiggly bodies. Are these your boots? What happened to your hat? You have to go the bathroom NOW? When children are clothed, fed, and buckled into carseats, this is our first check point. On the quiet drive from condo to Main Street, we

Cowbells at the ready, spectating is a family affair for all ages.

mentally high five, take a deep breath, and begin the next leg of the race.

With the promise of snacks to fuel the afternoon, our team of eight descends upon the crowd. We gather with other heroes, just like us, the spectating kind. We are weary from the morning, weak from the children on our backs, at our side. But with the encouragement of the crowd, we push on. We sense the adrenaline that comes from scanning the skiers as they descend the International Bridge. Is that him we see with the icy beard? Is she the one in the blue hat? We crane our necks, squint our eyes. This is our

moment. We won't let them down.

And alas, it arrives. Our skier is coming! We ring those cow bells with all of our might. We join the chorus of cheers, our lungs aching from the screams. And then we are met with the deepest satisfaction as our skier recognizes their fans, smiles with all the energy they have left, and with the push of our cheers, crosses the final finish.

We did it. We completed the race. There are no medals around our necks. It is only pride we wear today. For we are Birkebeiner heroes of a different kind.

We are the spectators.

Snacks in hand, the youngest fans await their hero skiers.

Rachel checks her app while waiting for her skiers to arrive on Main Street.

Do I need a Birkie Trail Pass?

The signs of the end of summer are in the air. Before long, the leaves will begin to turn, followed by the glimmer of snowflakes. Before you know it, you'll be waxing your skis in anticipation of your first day on the Birkie Trail.

If skiing the American Birkebeiner Trail is in your plans, please remember that a Birkie Trail pass is required from December 1, 2019 to March 31, 2020. Depending on the time of the ski season, the ABSF offers three pass options.

- **Early Season Snow Pass**

This pass allows you to ski on a man-made snow loop that is groomed and tracked before there is enough natural snow to groom the greater Birkie Trail. This pass is required as soon as the man-made loop is available for skiing (may be before December 1).

- **Standard Birkie Trail Pass**

This pass gives you access to the groomed Birkie Trail, once Mother Nature provides us a nice snow base.

- **Combo Birkie Trail Pass AND Early Season Snow Pass**

This pass gives you access to the entire groomed Birkie Trail, including the manmade snow loop.

The American Birkebeiner Ski Foundation (ABSF) takes our stewardship of the American Birkebeiner Trail system very seriously. We believe the secret to a perfectly groomed ski trail is to maintain the trail year-round. All proceeds from the sale of all Birkie Trail passes helps to defray some of the \$443,000 in ABSF annual grooming, snowmaking, and maintenance expenses.

Birkie Trail passes will go on sale in early November 2019. We depend on the revenue from all ski passes to make certain that the Birkie Trail system remains the No. 1 cross-country ski destination in the nation. Please make certain every skier in your family has

the appropriate ski pass!

If you plan to enjoy the incredible Birkie Trail system this winter, please do the right thing; purchase your required pass and help support the ongoing maintenance of this amazing recreational trail. Thank you!

For more details on the Birkie Trail pass program and where to purchase your pass, please visit www.Birkie.com/trail, call 715-645-5025, or stop in and see us in the Birkie Office on Main Street in Hayward.

ABSF Lot For Sale!

The American Birkebeiner Ski Foundation has owned this lot since the early 1980's as part of a possible permanent road crossing solution over State Highway 77. With the Becker Law Link bridge on the horizon, an alternate road crossing solution has been reached. Given that, the ABSF is liquidating this asset and using the proceeds from its sale to fund other projects. If you've ever dreamed of living near the Birkie Trail, this could be your chance.

- Beautiful, private, wooded lot with nice building site
- 3.16 Acres
- Conveniently located only 2.5 miles from Hayward
- A few hundred feet to Hatchery Creek Park and it's lighted ski trails, single track, pavilion, and Birkie Trail access
- Price: \$24,500
- Interested? Email birkie@birkie.com or call 715-634-5025

The American Birkebeiner Joins Visma Ski Classics as a Challenger Race

The Slumberland American Birkebeiner is North America's largest cross-country ski race and the first American event to enter the world of Visma Ski Classics. Based in Sweden, the Visma Ski Classics is an international, long-distance, skiing circuit. The Visma Ski Classics Challenger series was launched in April 2019 as a common platform to connect and promote long distance skiing events worldwide.

"We are extremely excited to join the family of races that make up the Challenger Series in Visma Ski Classics. The American Birkebeiner has one of the greatest finishes for a popular ski marathon. Some of the best marathon racers from around the world will test themselves on the world renowned Birkie Trail," said Ben Popp, Executive Director, American Birkebeiner Ski Foundation. "We look forward to hosting the Visma Ski Classics Skiers and Challenger

participants to the Birkie!"

The Visma Ski Classics Challenger series will help to develop the Slumberland

American Birkebeiner internationally, build awareness of the race amongst professional teams throughout the world, and encourage them to experience everything the Birkie has to offer.

"American Birkebeiner is one of the largest ski races in the world, and we are very proud to have them as a part of Visma Ski Classics. The idea behind the new Challengers concept is being able to create one world of long-distance skiing, and having an American event is of most importance. Hopefully, overtime, it will get more skiers traveling overseas, in both directions, to get new ski experiences, making the sport grow," said David Nilsson, CEO Visma Ski Classics.

Ski from Hayward To Around the World

—Gunnar Zlobl, Estonia
Worldloppet Ski Federation

The American Birkebeiner is the most important skiing event in the U.S.A. For this reason, it is a key member of the Worldloppet, the International Ski Federation of popular ski races. Only the biggest and best marathon race from each country can be part of the Worldloppet family, which consists of 20 races all over the world. That's 20 ski challenges just waiting for every Birkie skier out there.

"Do you accept the challenge of skiing around the world?"

But wait...what is the Worldloppet again? What does the Birkie have to do with it? OK, let's have a look: The Worldloppet International Ski federation is the voice of popular cross-country skiing in the world. What does that mean for you as a Birkie skier? In addition to skiing, you might also like to travel. In that case you should get a Worldloppet Passport, the official document in which all your completed Worldloppet races will be recorded with a stamp. After collecting 10 stamps in your Passport, you will be crowned with the title of WORLDLOPPET MASTER. Not enough yet? No problem. You can continue skiing around the world and ski in all 20 races to achieve the goal of becoming a WORLDLOPPET GLOBER SKIER. Do you accept the challenge of skiing around the world? Get your

passport (available at the Birkie office or through Worldloppet.com) and start traveling, experiencing, and skiing in races and in places where you've never been before.

Now you probably want to know what the other 19 Worldloppet races look like, right? Well then, let's have a look on SkiPlanet, your world-wide marathon skiing show. With this web-TV magazine we want to give every skier a glimpse of what he or she could experience when travelling to our member races all over the globe. Imagine experiencing a bath in Iceland's hot springs or visiting the biggest snow sculptures in China.

For the American Birkebeiner 2020 the SkiPlanet video production team is coming to Hayward to capture how Americans cele-

brate cross-country skiing & their home race. What do you think, they must cover? Visiting the Tony Wise Museum of the American Birkebeiner? Having a Birkie Brew-Ski? The Giant Ski Team event? Send us an email with your suggestions to: info@worldloppet.com. If you want to watch what's going on at the Gatineau Loppet, Marcialonga, Vasaloppet, Birkebeinerrennet, Kangaroo Hoppet, and the other races around the world, visit www.worldloppet.com.

One Birchlegger's Look at His Prince Haakon Experience

—Bill Kopanda, ABSF Member & Birkie Skier

Like many others, I planned to ski the Birkie until I could no longer walk. I intended to race my 32nd Birkie in 2017. Then, my life changed.

Like my father before me, I developed cardiac issues. I'd known about it since 2003, but after my condition worsened my cardiologist restricted my exercise to no longer than one hour and at a limited heart rate. I created a list of reasons why I should be allowed to ski the Birkie and presented them to my doctor. My bride attended the meeting and, as I stated my case, she quickly sold me up the ski trail. "Whose side are you on?" I asked. "Half of the race is downhill, that shouldn't count against my hour." While the cardiologist liked my eagerness to exercise he couldn't support my desire to race. Finally, he said, "You can ski the Birkie, but you'll need to stop after one hour." I thought, quit after an hour? I was bummed. I saw my life as I knew it dissolve before my eyes. Although I wasn't ready, I knew it was time to redefine myself and my life. Change doesn't come easily.

Shortly thereafter a Birkie friend said, "Why don't you join me in the Prince Haakon?" I quickly said, "No way." Then I began to think about it. I could stay home for the first time since 1984 or continue the festivities with my friends and the ski community. I called Ben Popp and asked if I could complete the course in an hour within my restrictions. Always the positive Birkie supporter, Ben gave me the answer I wanted to hear, "Yes!" I quickly signed up for the Prince Haakon.

While it was a challenging adjustment to go from being a first wave Birkie skier to the Prince Haakon, once the race started I found that I enjoyed the experience very much. It was great fun to be back on the Birkie Trail with other skiers. The race turned out to be my hardest effort of the year even though I stayed close to my medical restrictions. While the Prince Haakon is shorter, it includes the iconic elements of the Birkie: the Mosquito Brook hills; the climb at Hatchery Creek; Lake Hayward; the International Bridge; and the Main Street finish.

When I returned home, after the Birchleggings breakfast, my lovely bride had a

post-it-note waiting for me on the bathroom mirror, "Welcome home my Prince."

Skiing in the Prince Haakon was a great experience and one that I would highly recommend for anyone who, for whatever reason, cannot continue race in a longer event. In fact, I skied my second Prince Haakon in

2019!

As for me, I remain a member of the American Birkebeiner Ski Foundation and continue to attend the Birchleggings breakfast. I am already signed up for 2020 Prince Haakon - I can't wait!

Building Bridges

In 2015, the American Birkebeiner International Bridge made its first appearance at the Birkie, allowing skiers to safely cross U.S. Highway 63 on their way to the finish line in downtown Hayward. In 2018, the Key Log Crossing bridge was placed over County Highway OO, again allowing skiers to safely ski, run, bike, walk, or run from either the north to the south side of the highway.

We've heard it said that "the Birkie does bridges well."

After reviewing initial plans to build a tunnel under Wisconsin State Highway 77, the American Birkebeiner Ski Foundation changed course in how we plan to transport skiers safely across the highway during Birkie events. We are vigilant in our mission to be good financial stewards of Birkie donor dollars and determined that there was a more cost-effective way to proceed. And, because we do bridges well, you guessed it, the Becker Law Link will now be a bridge over Wisconsin State Highway 77 instead of a tunnel beneath it.

Thanks to the funding generosity of Don and Heidi Becker from Madison, Wisconsin, the American Birkebeiner Ski Trail will no longer require trail users to cross the busy highway. The Becker Law Link will connect the north and south sections of the legendary Birke Trail, areas which have been separated for over 46-years. The Becker Law Link will make it safer, easier, and more convenient for skiers, bikers, runners, and hik-

ers, to cross this busy thoroughfare. The addition of this pedestrian bridge will also eliminate the need to detour traffic and close the highway during events like the Kortelopet, Slumberland American Birkebeiner, and Prince Haakon races.

Similar in design to the current Key Log Crossing bridge over Highway OO (shown above), the Becker Law Link bridge will extend over Highway 77, just east of Hatchery Road. The Becker Law Link will also bridge accessibility to an additional 5-kilometers of Birkie Trail for use by outdoor enthusiasts. The ABSF anticipates completion of this exciting bridge in 2020 and is delighted to add another beautiful bridge to improve safety

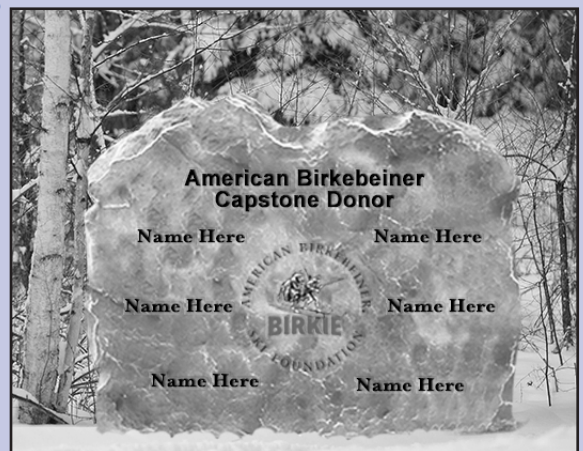

and accessibility to the Birkie Trail system for all users.

Capping It Off

American Birkebeiner Capstone Monuments

Imagine seeing your name etched on an American Birkebeiner Capstone Monument as you ascend the climb toward the new Becker Law Link bridge over Highway 77. In spring, summer, winter and fall, Trail users will pass between two, large, 4' x 5', Capstone Monuments before crossing the Becker Law Link bridge, just east of Hayward. Each Capstone Monument boulder will prominently feature six donor names. The first 12 donors, of \$5,000 or more, will have their names permanently etched on this new iconic Birkie Trail feature (donations can be payable over two-years). This project "caps" the final bridge project, connecting the Birkie Trail on the north and south sides of Highway 77 and improving access to the Trail for all. To have your name on these legacy monuments, or for additional information, contact audun.mikkelson@birkie.com.

My Birkie Experience: 1976, 2019...and Counting!

—Paul Gross, Two-Time Birkie Skier

In 1976, I had just moved to Chicago from New Hampshire and was training for a 2-day, 100-mile, Canadian Ski Marathon, when two of my training buddies, both novice skiers, told me about a 55K race in Wisconsin with a strange name.

This was the 4th year of the Birkie and the first year with lots of skiers - 993. Classic technique only, as Bill Koch hadn't even experimented with skating yet. I don't remember much about registration or bib pickup, but it certainly was not the army of overwhelmingly friendly, super organized volunteers of today.

The single mass start was straight up the main slope of Telemark's ski hill. Someone stepped on my skis at the gun start, and I did a magnificent face plant. By the time I got my glasses cleared of snow and was back on my feet, at least 800 racers were ahead of me, and I had lost track of my buddies. Over the crest on the downhill side, it looked like Pickett's charge at Gettysburg - the slope was littered with bodies, as not many knew how to ski downhill on cross country skis in the Midwest back then.

The trail was narrow, 2 tracks, but the snow was good. No spectators, snowmobilers, or drums along the course. I don't remember feed stations-- there must have been something, but sports drinks were new and energy gels hadn't yet been invented.

As I came out of the woods towards the finish, I heard what sounded like a freight train behind me. My two friends, with no classic technique, were double poling for all they were worth, finishing on sheer guts. We finished in 4:43 placing 109,110, and 111. The finish line was in what appeared to be a ball field populated with a few family members and the racers who finished ahead of us, not the current amazing spectacle of Main Street in Hayward.

I moved to Vermont later in '76 and hadn't done another Birkie since. Then, my college classmate, John Hedberg, with 9 Birkies under his belt, convinced me to give it another try. I was astounded at how it's changed!

I've done many 50K races in New England and 15 Canadian Ski Marathons, but nothing compares with the Birkie. The trail

Paul Gross & John Hedberg - 1976

John Hedberg & Paul Gross - 2019

is absolutely magnificent, as is the organization and logistics. Having actual cheering spectators and the various traditions on the trail are quite unique. I'm used to finishing

races in relative quiet, so the Main St. experience was exhilarating! I'm coming back in 2020!

My 1976 Birkie Gear: Wooden skis pine-tarred & kick waxed full length, cane poles, 3 pin bindings, cotton sweat pants converted into knickers, wool knee socks, cotton turtle neck & wool sweater.

A Veil, A Bow Tie & Birkie Bibs

A Birkie Race Day Wedding

—Daniel Gerds & Cate McKinney, Newlyweds

It's not uncommon to be nervous about the decision. It's a big commitment, but on the day you say "yes," you make a promise you intend to keep. You do it because despite the struggles ahead, it's worth it. It's beautiful and rewarding and life-affirming. So, you . . . sign up for the Birkie? Get married? Do both?!

Perhaps you saw us in 2019. Cate wore the little veil on her ski hat, and Daniel sported a gold bow tie above his Birchlegger bib. We skied the Birkie together, and after crossing the line on Main Street, we changed clothes, put on fur hats, and got married on the Birkie podium!

It started in 2014: Frigid temperatures, fierce winds, and sufficient fresh snow to collapse the tent at the trailhead had some racers abandoning the race. For better or for worse, we persevered. It was a tough race, but Cate suffered more than Daniel, barely enduring the winds on Lake Hayward, and crossing the line chilled to the core. Seeing her condition, Daniel removed her skis,

grabbed her gear bag and helped her into dry clothes. Cate fell while trying to sit down in the food tent. On the way to the medics, she said, "Okay. Yes. I'll do it." This required some clarification, inasmuch as Daniel's marriage proposal was two years old. "You take such good care of me. You

were there at the finish, you are here helping me, and I love you, so my answer is 'Yes,' I'll marry you."

Cate warmed up nicely, but maybe her feet stayed a little cold. It took another five years before she proposed that we make good on that promise. "Let's do it at the Birkie!" That was with less than two months to prepare the wedding, a party for friends and family, and no training under our belts. We signed up for other races to get ready, hired a bus to transport our guests, reserved reception and dance party venues, and skied and skied and skied.

We skied all 55-kilometers of the Classic Birkebeiner together, and were inspired by the cheers of fellow racers, and family and friends on the trail. We kissed at the top of the International Bridge before skiing down Main Street. Getting to the finish line in 2019 was far easier and sweeter than in 2014. And saying "I do" at nearly the same spot where Cate had said "yes" five years before was magical.

Our vows were influenced heavily by the Birkie experience: "Life together will sometimes feel effortless and playful, while other times frustrating, difficult, and painful. Along with the relentless climbs and turns and bumps that you will need to surmount together on the trail ahead, enjoy too the sweet descents and the wink of sunshine through the trees."

Its mother was a minimalist running shoe...
Its father was a heavy winter boot...

Any lighter and you would not leave
footprints in the snow

Field tested and endorsed by Birkie Champion Matt Liebsch

"My favorite new boots!

These things rock, the warmest, lightest boots ever." - Matt Liebsch

Purple Stained Bibs & Birkie Blåbärssoppa

—John Kotar — Birkie Founding Skier

It may come as a surprise to many of you to hear that blueberry soup has a much stronger and older connection to cross-country skiing than does any known ski wax. Blåbärssoppa is one of those foods that is often associated with traditional Swedish cuisine. It's a versatile soup that you can eat or drink warm in the winter and cold in the summer. Traditionally, it has been a staple at the Swedish Vasaloppet, a 90-kilometer race. It was Carl Hanson, Tony Wise's Swedish friend, who suggested blueberry soup be served at the inaugural American Birkebeiner.

In 1973, cross country skiing in the United States was still in its infancy. Most of us lined up at the first start really had no idea what to expect in a 50-kilometer race. We certainly didn't know what to make of this "blueberry soup" idea that was so hyped up among the racers. We truly believed that the blueberry soup had to contain some magic substance that made it possible for ordinary humans to ski such unbelievable distances. As it turned out copious amounts of hot (too hot to swallow) blueberry soup were available around the inaugural starting area and then no refreshments of any kind for the rest of the race. Logistics improved the next year and new and improved blueberry soup was plentiful. The fact that we

loved it was evident by our universally purple-stained bibs at the finish.

Because I had no training at all for the first Birkebeiner, other than recreational ski touring, I firmly believed that blueberry soup was the real reason for my finishing at all. It remained my favorite Birkie drink for all subsequent races and I missed it very much when one year it vanished from the Birkie scene. However, I had a great fortune to reconnect with it again 34-years later as it carried me to the finish of the 90-kilometer Swedish Vasaloppet at age 67. I was more convinced than ever of its effectiveness as I gazed upon hundreds of generously purple-stained bibs surrounding me in the finishing area. I highly recommend it.

Birkie Blueberry Soup

Blåbärssoppa Blueberry soup (bilberry soup) is often served warm in winter or cold in summer.

Ingredients

3 cups	Blueberries, cleaned (fresh or thawed)
4 tbsp	Fine sugar
3 cups	Water
1½ tbsp	Potato flour (or other starch)

1. Place berries in a saucepan with sugar and water.
2. Bring to a boil, stirring to dissolve the sugar. Simmer for 20 to 30 minutes or until the berries are soft and begin to fall apart.
3. Remove from heat. Mix the potato flour (starch) with an equivalent amount of water, stir to dissolve, pour into the blueberry mixture while stirring. Return to a medium heat, stirring continuously until thickened.
4. Add additional sugar to taste.
5. Serve hot or cold — enjoy!

Introducing Birkie Green

Embracing Sustainability & Environmental Responsibility

At the core, the Birkie lifestyle is about embracing an active lifestyle in the great outdoors. In fact, one of the core pillars of our mission is to serve as good stewards of the American Birkebeiner Trail. Knowing we have a responsibility to take the best possible care of this amazing resource, and the environment in general, we put our heads together to find ways to do just that. We're very excited to launch the new Birkie Green initiative.

The ABSF is committed to making choices that inspire solutions and address issues surrounding climate change; to implementing sustainability practices whenever possible; to creating solutions to support the environment and use of the land; and to consciously choose like-minded vendors and partners who demonstrate green and sustainability practices.

We've already begun to make choices, both large and small, to make a difference in our collective impact. Thanks to your support, we now have over 9800 reusable Birkie gear bags in use, reducing thousands of plastic bags in our landfills. We've installed solar lighting at aid stations; built the Samuel C. Johnson Family Outdoor Center at OO with a passive solar design to capture natural heat and light; installed a water bottle refill station at OO to eliminate the use of plastic bottles (over 3500 saved to date); installed an electric EV car charger at OO; have moved away from dispensing beverages in plastic cups to those in recyclable cans; have adopted environmentally safe waxing practices; have posted maps at all trailheads vs. handout options; are providing all race guides as digital options; are actively recycling at all events; and currently provide a virtual Birkie race bag to eliminate unnecessary waste, just to name a few.

We are unrolling two new initiatives in 2019 and 2020. For the first time ever, the Birkie Trail Run Festival and Birkie Tour events will be completely cup-less. Participants will bring their own water vessels or have the option of securing reusable and collapsible cups, eliminating thousands of cups from landfills. We are exploring this possibility for other Birkie events, as well.

The second initiative involves the very Birch Scroll magazine you are holding. Each year, we print thousands of copies of the

magazine. For several years we have also offered the magazine digitally. We are pleased that our online readership is rapidly growing. With this in mind we are making a few changes. In an effort to reduce paper usage and eliminate the carbon footprint from the creation and delivery of the publication, we are opting to go primarily paperless in 2020. Historically, ABSF members have received a printed copy as part of their membership benefit; this practice will continue for ABSF members only. We know that many of you keep a commemorative copy of the magazine as a memento of your participation. For

those participants who still want to receive a printed copy, the option will still exist. Upon registration for the 2021 events, opening May 1, 2020, any non-ABSF member will have the opportunity to purchase a Birch Scroll magazine. By doing so, only those who want a physical copy of the magazine, through ABSF membership or by choosing it at registration, will receive a printed copy.

Watch for the new Birkie Green logo at all future Birkie events and at the Birkie Expo, identifying spaces and places where green initiatives are underway or near vendors who are making a difference by choosing environmentally friendly practices. You'll also notice the Birkie Green logo where we are actively sorting and recycling at events too.

This program is in its infancy and we know we have a long way to go. We are pleased, however, by our initial progress and the excitement surrounding the program. Feel free to reach out to Birkie@birkie.com to share your "going green" ideas.

2020 Birkie Green Gear Bag

It's Back for 2020! Everywhere we looked during Birkie week 2019, we witnessed skiers using their reusable Birkie gear bags! With over 9800 bags in use since 2018, Birkie skiers and bikers are helping to keep thousands of plastic bags out of landfills, year after year. Thank you for your support of the Birkie Gear Bag program!

This year, as part of the Birkie Green initiative we've designed an all new custom Birkie Green gear bag, this time from SWIX! The reusable Birkie gear bag is available for \$45 and only during registration for the Birkie, Korte, Prince Haakon and Fat Bike Birkie events.

"SWIX was asked to engineer a pack to hold every essential a racer would need in preparing for a race, and that's what we did. Our designers went through every inch of the pack to ensure that all pockets and interior and exterior areas were utilized. Shoulder strap location and pack design also

ensure exceptional balance for heavier loads, making it feel like you're walking to the start line...packless. Thanks for this chance to be part of your Birkie Green experience," Steve Poulin, President/CEO, SWIX Sport USA.

During the 2020 Slumberland American Birkebeiner, Kortelopet, Prince Haakon, or Fat Bike Birkie registration process only, you can claim your own bag for \$45 (SRP \$125). Quantities are limited! Register for your race and gear bag soon to guarantee a Birkie Green gear bag in 2020!

As in previous years, Birkie gear bags will be distributed during bib pick-up. Only an official 2018, 2019, or 2020 Birkie gear bag, or the provided plastic bag, will be accepted at bag drop-off at the Slumberland American Birkebeiner, Kortelopet, and Prince Haakon races. Thanks for making a difference by securing your Birkie Green Gear Bag!

Birkie Green Gear Bag Features: Tarpaulin material on bottom for waterproofing & durability; bottom wet-compartment for boot storage; fleece lined glasses compartment; large top-load zippered compartment for clothing, tools, and gear; 2 side zip compartments for accessories; inside secure pocket for valuables; 600D PVC backed polyester; internal frame-sheet transfers weight evenly, padded EVA foam back & padded shoulder straps. Other features found at Birkie.com.

Where Has Your Birkie Gear Bag Been? Snap, Share, and You Could Win!

Larry Deal, longtime Birkie skier, hiked to the rim of the Grand Canyon with his Birkie Gear Bag in tow – 24 miles & 9 hours chock full of outdoor adventure. Like Larry, we're pretty certain that Birkie Gear Bags are popping-up all around this great world of ours.

Larry Deal & his trusty Birkie gear bag at the Grand Canyon.

Let us know where your Birkie Gear Bag has been and you could win a brand new Birkie Green Gear Bag! Just post an image

of your adventure on Facebook @AmericanBirkebeiner and on Instagram @americanbirkebeiner (please like or follow the Birkie first!). Let us know where the photo was taken, a little about your adventure, and include the hashtags #BirkieFever and #BirkieBagAdventure. It's that easy to enter! One winner will be selected at random from all qualified posts between now and December 31, 2019. Enjoy your adventures and thanks for taking the Birkie along for the ride!

8 Events – 1 Amazing Day

It was a crisp morning at Birkie Ridge for the 17th running of the Birkie Trail Run Festival, presented by Salomon, near Seeley, WI. For a second year, the event was host to the USA Track & Field Half Marathon Trail Championship. With a field of an estimated 1200 participants in the day's events, runners and trekkers took part in events ranging from an ultra-marathon, marathon, marathon relay, half marathon, 5K, 10-mile Nordic trek, to a fun run for kids.

The Birkie half marathon race proved to be the most competitive and exciting event of the day as it played host to the USATF Half Marathon Trail Championship. For a second year, Joseph Gray, Colorado Springs, CO, blew through the finish line amongst the cheering crowds at Birkie Ridge. No stranger to the top step on the podium, Gray has amassed over a dozen U.S. National ti-

ties. Megan Roche, Age 28, from Boulder, CO, raced across the finish line in 1:27:31, minutes before the next female competitor. Roche is familiar with the podium and holds numerous USATF and collegiate titles.

Saturday's running events started early with the Ultra race (100 kilometers) at 5:30 am. Ultra marathon runners left Birkie Ridge with headlamps aglow as they made their way into the woods and the beginning of their journey on the Birkie Trail. The Ultra runners, proving their endurance and determination, were the first to start and last to finish their event. 31 brave souls started the race, with the first runners finishing over 11 hours later.

The festival was rounded out with great food, Birkie Brew-Ski craft beer, Dive for the Dirt obstacle course for kids, toasty fires, and mother nature's splendor.

Birkie 100 Kilometer Ultra Marathon Champions – Men/Women

- 1st – Jeff Cook, (44), Savage, MN – 11:07**
 2nd – Bob McGrath, (55), Wyoming, MN – 11:20
 3rd – Matt Bower, (44), St. Paul, MN – 11:22

- 1st – Linda Kobilarcsi, (55) Chanhassen, MN – 13:48**
 2nd – Heather Norton-Bower, (45), St. Paul, MN – 13:54
 3rd – Lyndsi Pollock, (37), Puposky, MN – 14:25

Birkie 26.2 Marathon Champions – Men/Women

- 1st – Zach Rickenbach, San Francisco, CA – 3:11:53**
 2nd – Jacob Pellmann, Shorewood, WI – 3:30:35

2018 BIRKIE Trail Run Festival

2019 Birkie Trail Run Festival!

Registration is open for the upcoming 2019 Birkie Trail Run Festival, September 27 & 28, 2019.

New in 2019

- 100K Ultra Marathon relay; teams of 4 divide the course to complete this exciting new challenge
- Cup-less Racing! As part of the Birkie Green initiative, this year's race will be cup-less, saving thousands of plastic cups from landfills. Details on page 34 and Birkie.com.

The nine events of the Birkie Trail Run,

Relay, and Trek, feature the best sections of the famous Birkie Trail and single-track sections of the CAMBA (Chequamegon Area Mountain Bike Association) trail system. This event is perfect for runners looking to break free from the roads. The Birkie Trail has a wide, grass covered, level surface, and the single-track is smooth and fast. But, make no mistake, this is a 100% trail race, with the famous Birkie hills, making for a challenging race. Hammer it or cover your favorite distance at a recreational pace. Either way, this event has a friendly, north woods vibe, awesome Vendor Fair, a finish-line

party complete with a hot lunch, Birkie Brew-Ski craft beer and root beer, on-site camping, bonfires, and more. Make it a weekend of fun with family and friends! If you love to run on a great trail, this is the event to put on your calendar NOW. See you in September!

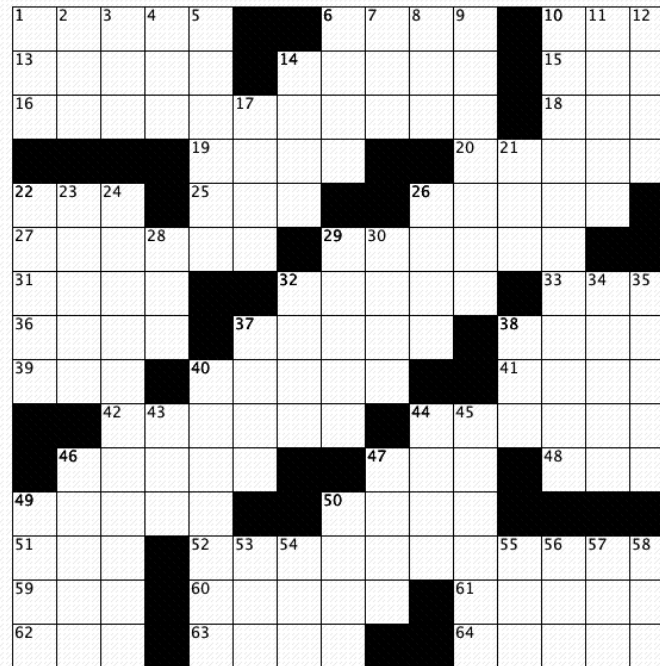

The Birkie Trail Run Festival is sponsored by: Salomon; CARLSON MD; HydraPak; The Rivers Eatery; Corner Deli; Clif Bar; Kemps; GU; NUUN; and Hayward Area Memorial Hospital.

Birkie is the Word!

-Leslie Rogers & Aloha Nordic

Aloha Nordic is a San Francisco based team. With little access to snow, they train by biking and roller-skiing. In 2019, fourteen team members skied the Birkie (and the Birkie Giant Ski!). They'll be back in 2020! Learn more at alohanordic.com

Fat Bike Birkie 2019 – Epic Day, Epic Race!

It was a golden day at the 2019 45NORTH Fat Bike Birkie, the world's largest on-snow fat bike race, held at the American Birkebeiner Trailhead near Cable, Wisconsin. Nearly 1100 riders competed with riders hailing from 22 states and 3 countries (United States, Canada, and Australia). Riders rolled their way through the north woods of Wisconsin and tested their skill on the legendary hills of the Birkie Trail. The 2019 45NORTH Fat Bike Birkie, presented by FreeWheel Bike, included the Big Fat 47K, the Chico (21K), presented by Otso, as well as the new 10K Tour, presented by Salsa.

“It was an amazing day for a race. There were lots of smiling faces crossing the finish line and that’s really what it’s all about,” said Ben Popp, American Birkebeiner Ski Foundation, Executive Director. “The Birkie staff works really hard to provide the best possible experience for riders, spectators, and volunteers alike.”

The field was stacked with returning competitors as well as first time Fat Bike Birkie riders in both the Big Fat and the Chico races. The course was firm and fast with temps rising to 38° at the finish line.

Racers reported that the trail held up beautifully for both races.

“The Fat Bike Birkie was at the top of my season’s goals. This totally completed my wish list,” said Corey Stelljes, Big Fat 47K Men’s Champion. “The trail was fantastic, conditions were ideal, it was a fantastic event. I’ll be back in 2020, wouldn’t miss it for the world.”

Next year’s Fat Bike Birkie is slated for March 6 & 7, 2020. Registration for the 47K, 21K, and 10K Tour events is currently open at www.Birkie.com.

“The trail was fantastic, conditions were ideal, it was a fantastic event!”

Let it Roll!

One Woman's Fat Bike Journey

—Wendy Crawford, Ladies Fat Bike Getaway & 45NORTH Fat Bike Birkie Rider

My only regret is that I wish I would've started mountain biking years ago! At age 50, I randomly bought a used Trek off of Craigslist and went for my first mountain bike ride. I began riding with a Tuesday night group, which was always all men. They were gracious even when I'd say, "I know the trails. Please don't wait for me. It steals my joy. I'll meet you in the parking lot." The leader was great, he patiently gave me pointers, coached and encouraged me, which made me a better rider. But, I noticed when it comes to women mountain bikers, they were either fast elite racers or they were nowhere to be found. Fat biking is changing that!

This past winter was my second year on a fat bike. I began asking ladies I didn't even know if they would like to learn about fat biking. I found two who said, "Yes!" So off we went on our first ever Birkie Ladies Fat Bike Getaway Adventure!

A sold-out event, 45 women gathered at the brand-new Samuel C. Johnson Family Outdoor Center at the OO Trailhead outside of Seeley, WI. For many, they were fairly new to the sport or it was their first time. There were speakers who shared all kinds of winter riding tips from what to wear, to maintenance, to tire pressure, and we even got to ride over the new Key Log

Dr. Shannon Score, Dr. Tom Schmidt, Wendy Crawford, Dan Crawford – Fat Bike Birkie 2019

Crossing bridge. The event was awesome, so well-organized, and reasonably priced as well!

The next day, we broke into groups based on the Experience & Abilities Survey we filled out at registration. Each group had an experienced coach. We learned a variety of techniques and set out on the groomed Birkie Trail and CAMBA singletrack trails to try out our skills. It was a friendly, welcoming, social, relaxed environment to learn and ride!

I met Kitty from Fatbike.com and I love how she summarized this great event: "I came away from the weekend with new skills and confidence. I looked ahead, rode stronger, stopped the negative self-talk, and got up that hill (there may have been tears)! It was intimidating at first. I was afraid of not being "good enough" to participate. The women at this program, well, they're just

like you and me. I'd recommend this for lady riders who'd like to gain skills, make new bike friends, and of course, check out those famed trails." I couldn't agree more! For attending, the Birkie offered us a free entry to the first-ever Fat Bike Birkie 10K Tour. So, I gathered six friends, designed our kits, and we did our first Fat Bike Birkie. The temps were warm, and the rolling hills of the Birkie Trail were challenging, but what an accomplishment! There was a great vendor village and fun after-party! I highly encourage you to attend any of the Birkie events! You'll be glad you did!

I am totally addicted! Signs you're addicted... you buy a truck and call it your "bike rack", you only camp where there are trails nearby, and most of your social media posts are pictures of your bike! Every time I ride, I still hear my Coach Liz's words, "LET IT ROLL!"

2019 Ladies Fat Bike Getaway – December 13 & 14, 2019

This weekend adventure, presented by Salsa Cycles, will have you experiencing the great outdoors, riding the legendary Birkie Trail, polishing your fat biking skills, and meeting other women who aspire to or love to ride. The Ladies Fat Bike Getaway is a budget sensitive adventure that is filled with fun, camaraderie, great riding experiences and upping your biking game.

Registration includes: Friday dinner; Saturday coffee & scones; Saturday lunch; awesome SWAG; coaching; workshops; and guided rides on an amazing trail in the north woods. #LadiesGetaway #PerfectDay

Registration is limited. Make plans with a friend! Mark your calendars! Registration opens September 16, 2019!

Tusen Takk - A Thousand Thanks!

—Jim Coors - Trustee Chair, Foundation for the Endowment of American Birkebeiner

The *Tusen Takk - Year of the Volunteer* is underway and we want to celebrate 2019 by honoring the thousands of people who, with warm hearts and smiles, make the Birkie happen.

Last year, the Foundation for the Endowment of the American Birkebeiner – the “Birkie Endowment,” celebrated the completion of the Forerunner program. Income from the Forerunner Fund will be allocated to ABSF’s greatest needs on an annual basis.

Now the Endowment is focusing on two specific needs as identified by Birkie supporters.

The Jane Bidwell & Marcia Engebretson Tusen Takk Volunteer Fund

Our focus in 2019 continues to be the Bidwell/Engbretson Tusen Takk Volunteer Fund because so many in the Birkie community want to express their gratitude to volunteers, and they want to do it now.

It’s fortuitous how things come together. While the Endowment and Birkie staff were just beginning to think about ways to honor volunteers in 2019, Marcia Engebretson and Jane Bidwell came forward with a gift to initiate the volunteer fund. The perfect people to represent this fund, Marcia and Jane are well known for their long history of volunteerism. They inspire our best instincts by their selfless service. What better way to set the goal of encouraging every Birkie participant to thank every volunteer, both now and in the future.

While it’s a grand, ambitious goal, we’re making it easy for all to help out. Small and large donations are welcome. All donors will receive a Tusen Takk armband to wear in future Birkie events allowing participants to show their gratitude to those helping them during the race. Even if you can’t contribute financially, it would be great if people shouted out “Tusen Takk” at every feed station, but it’s not required – just slow down a bit and thank the friendly faces handing you food and drink. It all counts.

The Engebretson/Bidwell fund is an endowed fund, and the income will be used for volunteer recognition events, jackets, bibs, as well as feed station upgrades, logistical sup-

port, and whatever else is needed to reward and encourage Birkie volunteers. Since Marica and Jane’s initial donation, over 438 people have made additional contributions and the fund now totals more than \$37,186. This effort is now a broad-based, deeply-felt expression of gratitude to the thousands of people who make the Birkie, in all of its manifestations, so wonderful.

The Richard Pierce (Torstein) & Sandy Lampman Trail Support Fund

Beginning in 2020, and over several years, the Endowment will shift attention to the Pierce/Lampman Trail Support Fund. You’ll be hearing more about this Trail Support Fund initiative in 2020.

The Engebretson/Bidwell and Pierce/Lampman funds show how we can all make the Endowment work. The long-term success of the Birkie depends on supporters donating to these efforts, or establishing their own new legacy funds, or including the Foundation for the Endowment of the American Birkebeiner in their will or estate planning. Belief and desire to see the American Birkebeiner thrive and continue are all it takes. You can help make the Birkie lifestyle a permanent reality. For more information contact Audun Mikkelsen, Development Director, audun.mikkelsen@birkie.com or cell 907-433-9265, or visit the Endowment’s website <https://endowment.birkie.com>.

2019 is the Year of the Volunteer!

2019 is Tusen Takk – the Year of the Volunteer and perhaps this year, more than ever, we are exceedingly grateful for the support of our posse of year-round volunteers. We extend 1000 thanks to our amazing and dedicated Birkie volunteers!

Often the first point of contact a participant or spectator has with the ABSF, volunteers put their best foot forward with a smile, a cheery attitude, and a bounce in their step. We couldn't be happier to be work side-by-side with this spectacular group of people! We've said it before and will say it again, we truly couldn't host our world-class events without the continued support of our dedicated volunteers.

Did you know that Birkie volunteers are often members of other non-profit groups?

Whether Scouts, school groups, civic clubs, church youth groups, or high-school sports teams & clubs, the ABSF helps countless community organizations with their own fundraising efforts. Our volunteer programs include an opportunity for non-profit groups to earn a stipend through their volunteerism during Birkie events year-round. If this sounds like something your group or club may be interested in, reach out to birkie@birkie.com with the subject line: Volunteer Group.

If you're interested in volunteering for a Birkie event, year-round opportunities are available. And, you'll snag some sweet volunteer SWAG! Learn more at www.Birkie.com/volunteer.

“Tusen Takk volunteers! We appreciate all you do!”
 - Timber Ford of Hayward, Year-Round Presenting Sponsor of Birkie Volunteers

Become a Birkie Insider - Become a Birkie Race Chief!

Being a Race Chief is akin to being an extension of the Birkie staff leading up to and during Birkie events in February. Birkie Race Chiefs are uber volunteers who help to coordinate specific areas at Birkie events and they play a leadership role within the Birkie's volunteer crew – hundreds and hundreds strong. Race Chiefs are responsible for carrying on the traditions of excellence as established by decades of Race Chiefs before them. With the recent retirement of a few Race Chiefs, the Birkie is looking for dedicated volunteers who are up for the challenge! These key roles play an integral part during Birkie race week.

Ski. Run. Bike. Live!

2020 Race Chief opportunities include:

- Gravel Pit Aid Station - Birkie Saturday & Kortelopet Friday
- Finish Venue - Birkie Week
- American Birkebeiner International Bridge - Birkie Week
- Parking (lot specific) – Birkie Week
- Road Crossings – On Race Days

Beyond the fun, satisfaction, and good feeling Race Chiefs get from volunteering, there are plenty of other benefits. Race Chiefs receive a new, brand-name, “Birkie Race Chief” winter jacket every two-years, theirs to keep, along with other Race Chief specific swag. In the past Race chiefs have

received hooded sweatshirts, technical apparel, or even a stipend for additional volunteer support during the event. Race Chief bibs clearly identify these key volunteers as leaders during Birkie events (new bibs in 2020!). Each Race Chief is responsible for assisting in securing volunteers for their specific location or area of responsibility.

If you'd like to become a Birkie insider and are looking for a rewarding role that truly makes a difference to skiers, the greater community, and the Birkie staff, please email us at: birkie@birkie.com

Pay it Forward • It's Our Turn to Help You!

Over the past few years, the ABSF staff has traveled to various communities to share the latest Birkie news, often receiving donations for various ABSF initiatives in the process. Last fall we conducted a *Tusen Takke Tour* (a thousand thanks, in Norwegian), to thank our generous donors and friends for their ongoing support and for helping us to reach our *Honoring the Legacy – Ensuring the Future*, Phase 2 Capital Campaign fundraising goals.

This fall we are retooling our Development Grant Program and giving back by extending a helping hand to Nordic ski clubs nationwide as they continue to develop cross-country skiing in their communities.

Knowing each club has different needs, the ABSF will **Pay it Forward** by supporting each club's efforts in a way that works for them. Our goal is to help individual clubs to promote a healthy, active Birkie lifestyle and further develop Nordic skiing in their areas.

What might this **Pay it Forward** support look like?

Here are a few ways that the ABSF may

be able to help. With our extensive access to skiers, perhaps we can help you recruit new club members or connect skiers as Birkie training partners. Or, we can provide an enthusiastic speaker and compelling presentation to help generate Nordic skiing excitement at your club's fall kick-off meeting or annual fundraiser. Maybe we can help you to find ways to promote youth skier development to ensure the future of the sport and your club. We may even be able to provide a grant to assist your club's sport development programs.

So how will the **Pay it Forward** program work?

First, we ask that you consider your club's specific needs and consider how we can best support you, we've learned that not all assistance is necessarily monetary in nature. Then, between September 1 and September 15, visit www.Birkie.com and click on the **Pay It Forward** tile on the home page of Birkie.com. Fill out the online application and submit it to us. The ABSF will review all applications and choose a select number of clubs to assist in 2019/2020,

based on the club's respective needs, requests, and our available **Pay it Forward** budget.

In addition to the **Pay it Forward** program, the ABSF will continue to support eligible MYSL programs, National Nordic Foundation, and Kortelopet scholarship winners through our Development Grant Program.

A special thank you to all of the Nordic clubs, big and small, who continually promote the growth, development, and love of cross-country skiing! We are excited to **Pay it Forward!**

Let it Snow, Let it Snow, Let it Snow! Snow History is Made at the American Birkebeiner Trailhead!

November 2018 was one for the Birkie chronicles. An estimated 5000 skiers enjoyed the first-ever man-made snow loop at the American Birkebeiner Trailhead. As thrilling as the experience was, it didn't happen through happenstance. Rather, it happened through the generosity of over 700 individual supporters, who donated \$70,000, allowing the American Birkebeiner Ski Foundation to begin making snow for the first-time in its history!

In 2018 alone, contributions allowed the ABSF to purchase two snowmaking guns and 1,500 feet of snow-piping to access water from the American Birkebeiner Trailhead and the former Telemark property. Through the generous support of so many, the ABSF was able to begin our initial foray into snowmaking in November 2018. Thousands of skiers of all ages, including high school teams and clubs, were able to jumpstart their

training on the 2.5 kilometer early season snow loop.

This year, we are continuing to grow our snowmaking capabilities with hopes of creating 3.5-kilometers of artificial snow, for guaranteed skiing later this year. Ultimately, this snowmaking expansion means earlier, more, and guaranteed skiing for all.

So far in 2019 alone, nearly 367 generous donors have contributed over \$14,886 to help us reach our target goal of \$100,000 for the continued advancement of snow-

making in and around the American Birkebeiner Trailhead.

A passion for the great outdoors and for Nordic skiing is at the heart of everything the Birkie stands for. Years of skiers, donors, dedicated staff, sponsors, and volunteers, have collaboratively and generously grown the ABSF into what it is today. Thank you for your passion for the Birkie, we take your investment in us seriously and responsibly. We want your Birkie experiences to be nothing short of exceptional.

We look forward to providing unforgettable adventures on the American Birkebeiner Trail System all-year-through and are excited to see folks click into their bindings for an early ski, on guaranteed snow, later this year. Thank you for allowing us the opportunity to provide wonderful Birkie Trail experiences on race days, and all days, for outdoor enthusiasts of all ages.

The Birkie Experience of a Lifetime!

Are You the Next Torstein, Skjervald or Inga?

Whether on the trail encouraging skiers, engaging with spectators, or cheering on young skiers on Main Street, you've likely seen ambassadors, Torstein, Skjervald, and Inga, mother of Prince Haakon, during Birkie week festivities. The original historic trio played a pivotal role in Norwegian history. In 1206, Norway was embroiled in civil war, when Birkebeiner warriors, Torstein and Skjervald, and Inga, smuggled baby Prince Haakon, son of the current King, to safety by skiing through the perilous mountains and forests of Norway. Baby Prince Haakon would later become the King of Norway.

Each year, three Birkie skiers reenact the historic journey as warriors Torstein, Skjervald, and Inga. The trio skis the 55 km classic Birkie ski race on wooden skis and in traditional costume, with a baby doll in tow, recreating the historic Norwegian flight. Once they reach the American Birkebeiner International Bridge, they pick-up a real baby "Prince Haakon" and ski to the finish line amongst the cheering crowds and ringing of cowbells; a true celebration of the

L-R: William Andresen, Carolyn Andresen Warren, David Andresen (Ironwood, MI), Torstein, Skjervald & Inga 2019

legacy of the American Birkebeiner.

"I was honored to portray the Birkebeiner story and carry on the Norwegian tradition and legacy. The whole experience - from the Barnebirkie to the main event - was wonderful. Everyone was so friendly and positive. It was definitely a Birkie experience to remember," said Carolyn (Andresen) Warren, 2019 Inga.

You, too, can have the ultimate Birkie

experience, like so many before you. Rally your family and friends and register as a trio of skiers and become a part of Slumberland American Birkebeiner history. The application process is easy and found at www.Birkie.com. The winning trio will ski in the 2020 Birkie, as well as make a number of Birkie week appearances. Contest winners will receive credit for completing the race and will receive a free race entry for Birkie 2021.

"Being a Birkebeiner warrior was one of the most amazing Birkie experiences I've ever had. As a Warrior, Birkie week events become your Main Course. The Birkie race itself was icing on the cake! It was truly amazing to start with the Spirit of 35 wave, to watch the Elite athletes race by, and even more fun cheering on all the athletes skiing! Finally, crossing that Bridge with my dad and sister will be a memory I will never forget," said David Andresen, 2019 Birkebeiner Warrior.

The contest opens on November 1, 2019 for Birkie Week 2020. Interested skiers can find more information at www.birkie.com or by emailing birkie@birkie.com.

Ten Years Fly By: 2008 Prince Haakon Skis the Barnebirkie

—Gail Rogall, 2008 Inga & Proud Mom

It was a day I'll never forget and one my son, just 12-months old, will never remember: our role at the 2008 American Birkebeiner in the reenactment of the Birkebeiner warriors saving the infant Prince Haakon. Fast forward ten years: 11 years old in 2018, my son Bjorn stood on the starting line to ski his first Barnebirkie, as I reminisced when he was the Baby Prince and I had donned a heavy and warm Norwegian ski dress and skied as Inga of Varteig.

Back in 1206, the real Prince Haakon may not have recalled his harrowing and life-saving rescue either. Bjorn—again probably like the real Prince—wasn't the happiest 12-month-old baby when we handed him over to Torstein (Thom Gerst) and Skjervald (Gary Gerst). The brothers Gerst were from Minneapolis. Bjorn had missed his nap. Lucky for us, Bjorn's life wasn't in danger, and the handover was just to cross the finish line in Hayward.

Ski. Run. Bike. Live!

Participating in the Barnebirkie was our next goal, but work schedules and the arrival of Bjorn's baby sister in 2010 made it logistically challenging. Finally, in 2018, 10 years after his debut as Prince Haakon, Bjorn skied his first Barnebirkie. Even though his pole broke half way through (he kept skiing) and he was a little disappointed that the event was not timed, he had a good experience. In 2019, he participated in the Junior Birkie and enjoyed it too, especially since it was timed. Now his sights are set on the 15-kilometer Prince Haakon in 2020. After that, maybe the Kortelopet. When I asked him what he likes about the Birkie, he answered expansively, "I like the festivity of the whole event."

We live in Madison, Wisconsin, and come from a Minnesota skiing family. I skied both downhill and cross-country as a kid, but did not ski the Korte until 1992, and I tried my first Birkie soon after.

The motivation to apply to be part of the 2008 Birkebeiner rescue reenactment

came from my love of cross-country skiing and the desire for my son to be part of the great Birkie experience. Year after year, I am awed at the incredible volunteer effort, from bib pickup to aid stations to after-race hospitality.

Maybe YOU should apply to experience the Birkie as Inga or the warriors. The Birkie folks provided me with a beautiful wool Norwegian ski dress, a traditional hat, and I just happened to have the perfect pair of wood skis.... and the baby.

Defining the Intangible Birkie Fever

For some it is the visceral anticipation of the challenge, mingled with apprehension, woven with an unspoken camaraderie as fellow adrenaline junkies make their pilgrimage through the hardwood forests along the Birkie Trail.

For others it is the annual tradition of family and friends escaping to the north woods, it's the sound of drums thrumming along the trail, a celebratory post-race shot-ski or the ringing of cowbells announcing the sweet taste of success.

Birkie Fever is the palpable sensation of determination and accomplishment in the air. For those with Birkie fever, it's more than a race – it's a lifestyle and a feeling held close all year through.

Development to Date

FINANCIAL SUMMARY

To the Members of the American Birkebeiner Ski Foundation (ABSF),

On behalf of the ABSF, a 501(c)(3) non-profit organization, I am pleased to submit to you the review of 2018-2019 financial statements conforming to general accepted accounting principles (GAAP). The current unaudited financial statements delivered strong annual financial results for the period ending June 30th. The organization printed a Net Income surplus of \$474k or 125.9% year-over-year (YoY). This increase came from strong positive income growth mixed with moderate expense savings. Total Income was \$3.5M and Total Expense was \$3.0M. In the end, the team was pleased with this balanced growth and you should be too.

The ABSF team built 2019-2020's budget (\$3.2M Income, \$3.1M Expense, Net Income surplus \$0.097M) with enhanced budgetary controls. The objective of these controls is to ensure the highest quality and most complete budget submission.

As demonstrated by the summary and statements included in the financial section of this report, the ABSF continues to meet its responsibility of sound financial management.

In my short term as the Treasurer, I have been humbled by the hard work and commitment to the ABSF's mission to promote and conduct the world's finest cross country ski competition and active lifestyle events, to serve as good stewards of the American Birkebeiner ski trail, and to promote a healthy and active lifestyle for people of all ages. I am proud to be part of this team.

Thank you for your participation and support of the ABSF.

Sincerely,

Mike Brown, Treasurer, ABSF
ABSF Board of Directors, Finance Committee Chair

Net Cash Increase for Period	(\$409,142)
Cash at Beginning of Period	\$948,256
Cash at End of Period	\$539,114

Notes to Financial Statements

Our Mission

The American Birkebeiner Ski Foundation ("ABSF") was established The American Birkebeiner Ski Foundation is a 501(c)(3) non-profit organization dedicated, as reflected in the Birkie Mission Statement, to hosting one of the world's best cross country ski events, the American Birkebeiner, maintaining one of the nation's premier recreation trails, and promoting healthy lifestyles for people of all ages.

Accounting Method

The ABSF presents its financial statements on an accrual basis in accordance with accounting principles generally accepted in the United States of America (US GAAP). Certain items are maintained on a cash basis, which is not materially different from the accrual basis of accounting. The ABSF fiscal year spans July 1 through June 30.

Basis of Presentation

The financial statements include certain prior-year summarized comparative financial information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the ABSF's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

Depreciation for Buildings, Furniture and Equipment

Land, building, furniture and equipment owned by the ABSF are stated at cost at date of acquisition. Useful lives range from 39 years for buildings, 7 years for furniture, 5-7 years for heavy equipment and 5 years for technological equipment. Depreciation is calculated on the straight-line basis over the assets' estimated useful lives, except for land. The ABSF reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An impairment charge is recognized when the fair value of the asset or group of assets is less than the carrying value. There was no impairment recognized for the years ended June 30, 2019 and 2018.

Independent Certified Public Accountant's Report

We have audited the accompanying financial statements of the American Birkebeiner Ski Foundation (the "ABSF") which comprise the Statement of Financial Position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for Financial Statements

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The American Birkebeiner Ski Foundation as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report of 2018 Summarized Comparative Information

We have previously audited the ABSF's 2018 financial statements (not presented herein), and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 17, 2019. In our opinion, the accompanying summarized comparative information as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

PistenBully®

50 YEARS PISTENBULLY

2019 is a very special year for PistenBully.

On the occasion of our 50th anniversary, we would like to extend our appreciation for the friendships we have developed with American Birkebeiner over the years.

You can count on us going forward!
