American Birkebeiner Completes Successful 51st Annual Race back in Downtown Hayward

HAYWARD, WI (February 22, 2025) – After last year’s 10km looped course at Mt. Telemark Village in Cable, WI and despite lower-than-average snow totals this year, accumulation two weekends prior to Birkie week provided just enough snow for a full race along the world-famous American Birkebeiner Trail and a finish on Main Street, Hayward.

Birkie Week kicked off on a bitterly cold Wednesday morning which prompted an hour delay for the over 1200 skiers enjoying Open Track events of varying distances along the Birkie course. Thursday’s events included the Barkie Birkie skijoring race with 110 teams of one skier and one dog, the Barne Birkie kids ski with nearly 500 participants followed by the Junior Birkie youth race with over 400 competitors. Thursday’s final event was the Giant Ski competition. This crowd favorite drew it’s largest field yet, with 30 teams participating.

The Kortelopet (half-Birkie) 29k race, starting in Seeley, and Prince Haakon 15k race drew over 3500 skiers to the finish on Friday.

The 51st Annual Slumberland American Birkebeiner presented by Ariens kicked off at 8AM Saturday February 22nd. To the warmest temperatures of the week with a high of 34° and low of 18° right off the morning. Nearly 6,300 skiers participated in the classic and skate races. Podium finishers include:
